**Attachment 1: Preamble, including required analysis, for proposed amendments to 10 TAC Chapter 10, Subchapter E, §10.405 Amendments and Extensions; and §10.406 Ownership Transfers (§2306.6713)**

The Texas Department of Housing and Community Affairs (the Department) proposes amendments to 10 TAC Chapter 10, Subchapter E, §10.405 Amendments and Extensions; and §10.406 Ownership Transfers. The purpose of the proposed amendments is to make corrections to gain consistency across other sections of rule, clarify existing language and processes that will ensure accurate processing of post award activities, and to communicate more effectively with multifamily Development Owners regarding their responsibilities after funding or award by the Department.

Tex. Gov't Code §2001.0045(b) does not apply to the rule proposed for action because it was determined that no costs are associated with this action, and therefore no costs warrant being offset.

The Department has analyzed this proposed rulemaking and the analysis is described below for each category of analysis performed.

**a. GOVERNMENT GROWTH IMPACT STATEMENT REQUIRED BY TEX. GOV'T CODE §2001.0221.**

1. Mr. Bobby Wilkinson, Executive Director, has determined that, for the first five years the amendments would be in effect, the amendments do not create or eliminate a government program, but relate to changes to an existing activity, concerning the post award activities of Low Income Housing Tax Credit (LIHTC) and other Department-funded multifamily Developments.

2. The amendments do not require a change in work that would require the creation of new employee positions, nor are the amendments significant enough to reduce work load to a degree that any existing employee positions are eliminated.

3. The amendments do not require additional future legislative appropriations.

4. The amendments do not result in an increase in fees paid to the Department or in a substantial decrease in fees paid to the Department.

5. The amendments are not creating a new regulation, but propose revisions to provide additional clarification. The purpose of the amendment to §10.406(h) is to ensure that the municipality or the mayor of a municipality, or if the Development is not located within a municipality or Extra Territorial Jurisdiction (ETJ), the commissioners court or county judge supports a change to the ownership structure that will result in a property tax exemption.

6. The amendments will not repeal an existing regulation.

7. The amendments will not increase or decrease the number of individuals subject to the rule's applicability.

8. The amendments will not negatively or positively affect this state's economy.

**b. ADVERSE ECONOMIC IMPACT ON SMALL OR MICRO-BUSINESSES OR RURAL COMMUNITIES AND REGULATORY FLEXIBILITY REQUIRED BY TEX. GOV'T CODE §2006.002.**

1. The Department has evaluated this rule and determined that none of the adverse effect strategies outlined in Tex. Gov't Code §2006.002(b) are applicable.

2. This rule relates to the procedures for the handling of post award and asset management activities of multifamily developments awarded funds through various Department programs. Other than in the case of a small or micro-business that is an owner or a party to one of the Department's properties, no small or micro-businesses are subject to the rule. If a small or micro-business is such an owner or participant, the new rule provides for a more clear, transparent process for doing so and do not result in a negative impact for those small or micro-businesses. There are not likely to be any rural communities subject to the amendments because this rule is applicable only to the owners or operators of properties in the Department's portfolio, not municipalities.

3. The Department has determined that because this rule relates only to the process in use for the post award and asset management activities of the Department's portfolio, there will be no economic effect on small or micro-businesses or rural communities.

c. TAKINGS IMPACT ASSESSMENT REQUIRED BY TEX. GOV'T CODE §2007.043. The amendments do not contemplate or authorize a taking by the Department; therefore, no Takings Impact Assessment is required.

d. LOCAL EMPLOYMENT IMPACT STATEMENTS REQUIRED BY TEX. GOV'T CODE §2001.024(a)(6).

The Department has evaluated the rule as to its possible effects on local economies and has determined that for the first five years the rule will be in effect there will be no economic effect on local employment, because this rule only provides for administrative processes required of properties in the Department's portfolio. No program funds are channeled through this rule, so no activities under this rule would support additional local employment opportunities. Alternatively, the rule would also not cause any negative impact on employment. Therefore, no local employment impact statement is required to be prepared for the rule.

Texas Gov't Code §2001.022(a) states that this "impact statement must describe in detail the probable effect of the rule on employment in each geographic region affected by this rule..." Considering that no impact is expected on a statewide basis, there are also no "probable" effects of the new rule on particular geographic regions.

e. PUBLIC BENEFIT/COST NOTE REQUIRED BY TEX. GOV'T CODE §2001.024(a)(5). Mr. Wilkinson has determined that, for each year of the first five years the amendments are in effect, the benefit anticipated as a result of the amended sections would be increased clarity and consistency across rule sections. There will not be economic costs to individuals required to comply with the amendment.

f. FISCAL NOTE REQUIRED BY TEX. GOV'T CODE §2001.024(a)(4). Mr. Wilkinson also has determined that for each year of the first five years the amendments are in effect, enforcing or administering the amendments does not have any foreseeable implications related to costs or revenues of the state or local governments.

REQUEST FOR PUBLIC COMMENT. The public comment period will be held December 27, 2024, to January 27, 2025, to receive input on the proposed amended sections. Written comments may be submitted to the Texas Department of Housing and Community Affairs, Attn: Lee Ann Chance, Asset Management Rule Comments, P.O. Box 13941, Austin, Texas 78711-3941 or email to [leeann.chance@tdhca.texas.gov](mailto:leeann.chance@tdhca.texas.gov). ALL COMMENTS MUST BE RECEIVED BY 5:00 P.M. Austin local (Central) time on January 27, 2025.

STATUTORY AUTHORITY. The proposed amendments are made pursuant to Tex. Gov't Code §2306.053, which authorizes the Department to adopt rules. Except as described herein the proposed amendments affect no other code, article, or statute.

## **§10.405 Amendments and Extensions**

(a) Amendments to Housing Tax Credit (HTC) Application or Award Prior to Land Use Restriction Agreement (LURA) recording or amendments that do not result in a change to the LURA (§2306.6712). The Department expects the Development Owner to construct or rehabilitate, operate, and own the Development consistent with the representations in the Application. The Department must receive notification of any amendments to the Application. Regardless of development stage, the Board shall re-evaluate a Development that undergoes a material change, as identified in paragraph (3) of this subsection at any time after the initial Board approval of the Development (§2306.6731(b)). The Board may deny an amendment request and subsequently may rescind any Commitment or Determination Notice issued for an Application, and may reallocate the credits to other Applicants on the waiting list.

(1) Requesting an amendment. The Department shall require the Applicant to file a formal, written request for an amendment to the Application. Such request must include a detailed explanation of the amendment request and other information as determined to be necessary by the Department, and the applicable fee as identified in Chapter 11, Subchapter E of this title (relating to Fee Schedule, Appeals, and other Provisions) in order to be received and processed by the Department. Department staff will evaluate the amendment request to determine if the change would affect an allocation of Housing Tax Credits by changing any item that received points, by significantly affecting the most recent underwriting analysis, or by materially altering the Development as further described in this subsection.

(2) Notification Items. The Department must be notified of the changes described in subparagraphs (A) - (F) of this paragraph. The changes identified are subject to staff agreement based on a review of the amendment request and any additional information or documentation requested. Notification items will be considered satisfied when an acknowledgment of the specific change(s) is received from the Department and include:

(A) Changes to Development Site acreage required by the City or other local governmental authority, or changes resulting from survey discrepancies, as long as such change does not also result in a modification to the residential density of more than 5%;

(B) Minor modifications to the site plan that will not significantly impact development costs, including, but not limited to, relocation or rearrangement of buildings on the site (as long as the number of residential and non-residential buildings remains the same), and movement, addition, or deletion of ingress/egress to the site;

(C) Increases or decreases in net rentable square footage or common areas that do not result in a material amendment under paragraph (4) of this subsection;

(D) Changes in amenities that do not require a change to the recorded LURA and do not negatively impact scoring, including changes to outdated amenities that could be replaced by an amenity with equal benefit to the resident community;

(E) Changes in Developers or Guarantors (notifications for changes in Guarantors that are also the General Contractor or are only providing guaranties during the construction period are not required) with no new Principals (who were not previously checked by Previous Participation review that retain the natural person(s) used to meet the experience requirement in Chapter 11 of this title (relating to Qualified Allocation Plan)); and

(F) Any other amendment not identified in paragraphs (3) and (4) of this subsection.

(3) Non-material amendments. The Executive Director or designee may administratively approve all non-material amendments, including, but not limited to:

(A) Any amendment that is determined by staff to exceed the scope of notification acknowledgement, as identified in paragraph (2) of this subsection but not to rise to a material alteration, as identified in paragraph (4) of this subsection;

(B) Changes in Developers or Guarantors (excluding changes in Guarantors that are also the General Contractor or are only providing guaranties during the construction period) not addressed in §10.405(a)(2)(E). Changes in Developers or Guarantors will be subject to Previous Participation requirements as further described in Chapter 11 of this title and the credit limitation described in §11.4(a) of this title; and

(C) For Exchange Developments only, requests to change elections made on line 8(b) of the IRS Form(s) 8609 to group buildings together into one or more multiple building projects. The request must include an attached statement identifying the buildings in the project. The change to the election may only be made once during the Compliance Period.

(4) Material amendments. Amendments considered material pursuant to this paragraph must be approved by the Board. When an amendment request requires Board approval, the Development Owner must submit the request and all required documentation necessary for staff's review of the request to the Department at least 45 calendar days prior to the Board meeting in which the amendment is anticipated to be considered. Before the 15th day preceding the date of Board action on the amendment, notice of an amendment and the recommendation of the Executive Director and Department staff regarding the amendment will be posted to the Department's website and the Applicant will be notified of the posting (§2306.6717(a)(4)). Material Amendment requests may be denied if the Board determines that the modification proposed in the amendment would materially alter the Development in a negative manner or would have adversely affected the selection of the Application in the Application Round. Material alteration of a Development includes, but is not limited to:

(A) A significant modification of the site plan;

(B) A modification of the number of Units or bedroom mix of Units;

(C) A substantive modification of the scope of tenant services;

(D) A reduction of 3% or more in the square footage of the Units or common areas;

(E) A significant modification of the architectural design of the Development;

(F) A modification of the residential density of at least 5%;

(G) A request to implement a revised election under §42(g) of the Code prior to filing of IRS Form(s) 8609;

(H) Exclusion of any requirements as identified in Chapter 11, Subchapter B of this title (relating to Site and Development Requirements and Restrictions) and Chapter 11, Subchapter C of this title (relating to Application Submission Requirements, Ineligibility Criteria, Board Decisions and Waiver of Rules); or

(I) Any other modification considered material by the staff and therefore required to be presented to the Board as such.

(5) Amendment requests will be denied if the Department finds that the request would have changed the scoring of an Application in the competitive process such that the Application would not have received a funding award or if the need for the proposed modification was reasonably foreseeable or preventable by the Applicant at the time the Application was submitted, unless good cause is found for the approval of the amendment.

(6) This section shall be administered in a manner that is consistent with §42 of the Code. If a Development has any uncorrected issues of noncompliance outside of the corrective action period (other than the provision being amended) or otherwise owes fees to the Department, such non-compliance or outstanding payment must be resolved to the satisfaction of the Department before a request for amendment will be acted upon.

(7) In the event that an Applicant or Developer seeks to be released from the commitment to serve the income level of tenants identified in the Application and Credit Underwriting Analysis Report at the time of award and as approved by the Board, the procedure described in subparagraphs (A) and (B) of this paragraph will apply to the extent such request is not prohibited based on statutory and/or regulatory provisions:

(A) For amendments that involve a reduction in the total number of Low-Income Units, or a reduction in the number of Low-Income Units at any rent or income level, as approved by the Board, evidence noted in either clause (i) or (ii) of this subparagraph must be presented to the Department to support the amendment:

(i) In the event of a request to implement (rent to a household at an income or rent level that exceeds the approved AMI limits established by the minimum election within the Development's Application or LURA) a revised election under §42(g) of the Code prior to an Owner's submission of IRS Form(s) 8609 to the IRS, Owners must submit updated information and exhibits to the Application as required by the Department ~~and all lenders and the syndicator must submit written acknowledgement that they are aware of the changes being requested and confirm any changes in terms as a result of the new election;~~ or

(ii) For all other requests for reductions in the total number of Low-Income Units or reductions in the number of Low-Income Units at any rent or income level, prior to issuance of IRS Form(s) 8609 by the Department, the lender and syndicator must submit written confirmation that the Development is infeasible without the adjustment in Units. The Board may or may not approve the amendment request; however, any affirmative recommendation to the Board is contingent upon concurrence from Department staff that the Unit adjustment is necessary for the continued financial feasibility of the Development; and

(B) If it is determined by the Department that the loss of low-income targeting points would have resulted in the Application not receiving an award in the year of allocation, and the amendment is approved by the Board, the approved amendment will carry a penalty that prohibits the Applicant and all Persons or entities with any ownership interest in the Application (excluding any tax credit purchaser/syndicator), from participation in the Housing Tax Credit Program (for both the Competitive Housing Tax Credit Developments and Tax-Exempt Bond Developments) for 24 months from the time that the amendment is approved.

(b) Amendments to ~~the~~ LURAs. Department approval shall be required for any amendment to a LURA in accordance with this section. An amendment request shall be submitted in writing, containing a detailed explanation of the request, the reason the change is necessary, the good cause for the change, financial information related to any financial impact on the Development, information related to whether the necessity of the amendment was reasonably foreseeable at the time of application, and other information as determined to be necessary by the Department, along with any applicable fee as identified in Chapter 11,

Subchapter E of this title (relating to Fee Schedule, Appeals, and other Provisions). The Department may order or require the Development Owner to order a Market Study or appraisal at the Development Owner's expense. If a Development has any uncorrected issues of noncompliance outside of the corrective action period (other than the provision being amended) or otherwise owes fees to the Department, such non-compliance or outstanding payment must be resolved to the satisfaction of the Department, before a request for amendment will be acted upon. The Department will not approve changes that would violate state or federal laws including the requirements of §42 of the Code, 24 CFR Part 92 (HOME Final Rule), 24 CFR Part 93 (NHTF Interim Rule), Chapter 1 of this title (relating to Administrative Requirements), Chapter 11 of this title (relating to Qualified Allocation Plan), Chapter 12 of this title (relating to Multifamily Housing Revenue Bond Rules), Chapter 13 of this title (relating to Multifamily Direct Loan Rule), Tex. Gov't Code, Chapter 2306, and the Fair Housing Act. For Tax-Exempt Bond Developments, compliance with their Regulatory Agreement and corresponding bond financing documents. Prior to staff taking a recommendation to the Board for consideration, the procedures described in paragraph (3) of this subsection must be followed.

(1) Non-Material LURA Amendments. The Executive Director or designee may administratively approve all LURA amendments not defined as Material LURA Amendments pursuant to paragraph (2) of this subsection. A non-material LURA amendment may include but is not limited to:

(A) HUB participation removal. Removal of a HUB participation requirement will only be processed as a non-material LURA amendment after the issuance of IRS Form(s) 8609 and requires that the Department find that:

(i) The HUB is requesting removal of its own volition or is being removed as the result of a default under the organizational documents of the Development Owner;

(ii) the participation by the HUB has been substantive and meaningful, or would have been substantive or meaningful had the HUB not defaulted under the organizational documents of the Development Owner, enabling it to realize not only financial benefit but to acquire skills relating to the ownership and operating of affordable housing; and

(iii) where the HUB will be replaced as a general partner or special limited partner that is not a HUB and will sell its ownership interest, an ownership transfer request must be submitted as described in §10.406 of this subchapter;

(B) A change resulting from a Department work out arrangement as recommended by the Department's Asset Management Division;

(C) A change in the Right of First Refusal period as described in amended §2306.6726 of the Tex. Gov't Code;

(D) Where the Board has approved a de minimis modification of the Unit Mix or bedroom mix of Units to increase the Development's accessibility;

(E) In accordance with HOMEfires, Vol. 17 No. 1 (January 2023, as may be amended from time to time) bifurcation of the term of a HOME or NSP LURA with the Department that requires a longer affordability period than the minimum federal requirement, into a federal and state affordability period; or

(F) A correction of error.

(2) Material LURA Amendments. Development Owners seeking LURA amendment requests that require Board approval must submit the request and all required documentation necessary for staff's review of the request to the Department at least 45 calendar days prior to the Board meeting at which the amendment is anticipated to be considered. Before the 15th day preceding the date of Board action on the amendment, notice of an amendment and the recommendation of the Executive Director and Department staff regarding the amendment will be posted to the Department's website and the Applicant will be notified of the posting- (§2306.6717(a)(4)). The Board must consider the following material LURA amendments:

- (A) Reductions to the number of Low-Income Units;
- (B) Changes to the income or rent restrictions;
- (C) Changes to the Target Population;
- (D) The removal of material participation by a Nonprofit Organization as further described in §10.406 of this subchapter;
- (E) The removal of material participation by a HUB prior to filing of IRS Form(s) 8609;
- (F) Any amendment that affects a right enforceable by a tenant or other third party under the LURA; or
- (G) Any LURA amendment deemed material by the Executive Director.

(3) Prior to staff taking a recommendation to the Board for consideration, the Development Owner must provide reasonable notice and hold a public hearing regarding the requested amendment(s) at least 20 business days prior to the scheduled Board meeting where the request will be considered. Development Owners will be required to submit a copy of the notification with the amendment request. If a LURA amendment is requested prior to issuance of IRS Form(s) 8609 by the Department, notification must be provided to the recipients described in subparagraphs (A) - (E) of this paragraph. If an amendment is requested after issuance of IRS Form(s) 8609 by the Department, notification must be provided to the recipients described in subparagraph (A) - (B) of this paragraph. Notifications include:

- (A) Each tenant of the Development;
- (B) The current lender(s) and investor(s);
- (C) The State Senator and State Representative of the districts whose boundaries include the Development Site;
- (D) The chief elected official for the municipality (if the Development Site is within a municipality or its extraterritorial jurisdiction); and
- (E) The county commissioners of the county in which the Development Site is located (if the Development Site is located outside of a municipality).

(4) Contents of Notification. The notification must include, at a minimum, all of the information described in subparagraphs (A) - (D) of this paragraph:

- (A) The Development Owner's name, address and an individual contact name and phone number;

(B) The Development's name, address, and city;

(C) The change(s) requested; and

(D) The date, time, and location of the public hearing where the change(s) will be discussed.

(5) Verification of public hearing. Minutes of the public hearing and attendance sheet must be submitted to the Department within three business days after the date of the public hearing.

(6) Approval. Once the LURA Amendment has been approved administratively or by the Board, as applicable, Department staff will provide the Development Owner with a LURA amendment for execution and recording in the county where the Development is located.

(c) HTC Extensions. Extensions must be requested if the original deadline associated with Carryover, the 10% Test (including submission and expenditure deadlines), construction status reports, or cost certification requirements will not be met. Extension requests submitted at least 30 calendar days in advance of the applicable original deadline will not be required to submit an extension fee as described in §11.901 of this title. Any extension request submitted fewer than 30 days in advance of the applicable original deadline or after the ~~applicable-original~~ deadline will not be processed unless accompanied by the applicable fee. Extension requests will be approved by the Executive Director or designee, unless, at staff's discretion it warrants Board approval due to extenuating circumstances stated in the request. The extension request must specify a requested extension date and the reason why such an extension is required. If the Development Owner is requesting an extension to the Carryover submission or 10% Test deadline(s), a point deduction evaluation will be completed in accordance with Tex. Gov't Code, §2306.6710(b)(2), and §11.9(f) of this title (relating to Factors Affecting Scoring and Eligibility in current and future Application Rounds). Therefore, the Development Owner must clearly describe in their request for an extension how the need for the extension was beyond the reasonable control of the Applicant/Development Owner and could not have been reasonably anticipated. Carryover extension requests will not be granted an extended deadline later than December 1st of the year the Commitment was issued.

#### **§10.406 Ownership Transfers (§2306.6713)**

(a) Ownership Transfer Notification. All multifamily Development Owners must provide written notice and a completed Ownership Transfer packet, if applicable, to the Department at least 45 calendar days prior to any sale, transfer, or exchange of the Development or any portion of or Controlling interest in the Development. Except as otherwise provided herein, the Executive Director's prior written approval of any such transfer is required. The Executive Director may not unreasonably withhold approval of the transfer requested in compliance with this section.

(b) Exceptions. The exceptions to the ownership transfer process in this subsection are applicable.

(1) A Development Owner shall be required to notify the Department but shall not be required to obtain Executive Director approval when the transferee is an Affiliate of the Development Owner with no new Principals, or the transferee is a Related Party who does not Control the Development and the transfer is being made for estate planning purposes.

(2) Transfers that are the result of an involuntary removal of the general partner by the investment limited partner do not require advance approval, but must be reported to the Department as soon as possible due to the sensitive timing and nature of this decision. In the event the investment limited partner has proposed a new general partner or will permanently replace the general partner, a full Ownership Transfer packet

must be submitted.

(3) Changes to the investment limited partner, non-Controlling limited partner, or other non-Controlling partners affiliated with the investment limited partner do not require Executive Director approval. A General Partner's acquisition of the interest of the investment limited partner does not require Executive Director approval, unless some other change in ownership is occurring as part of the same overall transaction.

(4) Changes resulting from foreclosure do not require advance approval but acquiring parties must notify the Department as soon as possible of the revised ownership structure and ownership contact information.

(5) Changes resulting from a deed-in-lieu of foreclosure do not require Executive Director approval. However, advance notification must be provided to both the Department and to the tenants at least 30 days prior to finalizing the transfer. This notification must include information regarding the applicable rent/income requirements post deed-in-lieu of foreclosure.

(c) General Requirements.

(1) Any new Principal in the ownership of a Development must be eligible under §11.202 of Subchapter C (relating to Ineligible Applicants and Applications). In addition, Persons and Principals will be reviewed in accordance with Chapter 1, Subchapter C of this title (relating to Previous Participation and Executive Award Review and Advisory Committee).

(2) Changes in Developers or Guarantors must be addressed as non-material amendments to the application under §10.405 of this Subchapter.

(3) To the extent an investment limited partner or its Affiliate assumes a Controlling interest in a Development Owner, such acquisition shall be subject to the Ownership Transfer requirements set forth herein. Principals of the investment limited partner or Affiliate will be considered new Principals and will be reviewed as stated under paragraph (1) of this subsection.

(4) Simultaneous transfer or concurrent offering for sale of the General Partner's and Limited Partner's control and interest will be subject to the Ownership Transfer requirements set forth herein and will trigger a Right of First Refusal, if applicable.

(5) Any initial operating, capitalized operating, or replacement reserves funded with an allocation from the HOME American Rescue Plan (HOME-ARP) and Special Reserves required by the Department must remain with the Development.

(d) Transfer Actions Warranting Debarment. If the Department determines that the transfer, involuntary removal, or replacement was due to a default by the General Partner under the Limited Partnership Agreement, or other detrimental action that put the Development at risk of failure or the Department at risk for financial exposure as a result of non-compliance, staff will refer the matter to the Enforcement Committee for debarment consideration pursuant to §2.401 of this title (relating to Enforcement, Debarment from Participation in Programs Administered by the Department). In addition, a record of transfer involving Principals in new proposed awards will be reported and may be taken into consideration in accordance with Chapter 1, Subchapter C of this title (relating to Previous Participation and Executive Award Review and Advisory Committee), prior to recommending any new financing or allocation of credits.

(e) Transfers Prior to 8609 Issuance or Construction Completion. Prior to the issuance of IRS Form(s) 8609

(for Housing Tax Credits) or the completion of construction (for all Developments funded through other Department programs), an Applicant may request a change to its ownership structure to add Principals or to remove Principals provided not all controlling Principals identified in the Application will be removed. The party(ies) reflected in the Application as having Control must remain in the ownership structure and retain Control, unless approved otherwise by the Executive Director. A development sponsor, General Partner or Development Owner may not sell the Development in whole or voluntarily end their Control prior to the issuance of 8609s.

(f) Nonprofit Organizations. If the ownership transfer request is to replace a nonprofit organization within the Development ownership entity, the replacement nonprofit entity must adhere to the requirements in paragraph (1) or (2) of this subsection.

(1) If the LURA requires ownership or material participation in ownership by a Qualified Nonprofit Organization, and the Development received Tax Credits pursuant to §42(h)(5) of the Code, the transferee must be a Qualified Nonprofit Organization that meets the requirements of §42(h)(5) of the Code and Tex. Gov't Code §2306.6706, if applicable, and can demonstrate planned participation in the operation of the Development on a regular, continuous, and substantial basis.

(2) If the LURA requires ownership or material participation in ownership by a nonprofit organization or CHDO, the Development Owner must show that the transferee is a nonprofit organization or CHDO, as applicable, that complies with the LURA. If the transferee has been certified as a CHDO by TDHCA prior to 2016 or has not previously been certified as a CHDO by TDHCA, a new CHDO certification package must be submitted for review. If the transferee was certified as a CHDO by TDHCA after 2016, provided no new federal guidance or rules concerning CHDO have been released and the proposed ownership structure at the time of review meets the requirements in 24 CFR Part 92, the CHDO may instead submit a CHDO Self-Certification form with the Ownership Transfer package.

(3) Exceptions to paragraphs (1) and (2) of this subsection may be made on a case by case basis if the Development (for MFDL) is past its Federal Affordability Period or (for HTC Developments) is past its Compliance Period, was not reported to the IRS as part of the Department's Nonprofit Set Aside in any HTC Award year, and follows the procedures outlined in §10.405(b)(1) - (5) of this subchapter. The Board must find that:

(A) The selling nonprofit is acting of its own volition or is being removed as the result of a default under the organizational documents of the Development Owner;

(B) The participation by the nonprofit was substantive and meaningful during the full term of the Compliance Period but is no longer substantive or meaningful to the operations of the Development; and

(C) The proposed purchaser is an affiliate of the current Owner or otherwise meets the Department's standards for ownership transfers.

(g) Historically Underutilized Business (HUB) Organizations. If a HUB is the general partner or special limited partner of a Development Owner and it determines to sell its ownership interest, after the issuance of IRS Form(s) 8609, the purchaser of that partnership interest or the general or special limited partner is not required to be a HUB as long as the LURA does not require it or the procedure described in §10.405(b)(1) of this chapter (relating to Non-Material LURA Amendments) has been followed and approved. The removal of a HUB requirement prior to filing of IRS Form(s) 8609 is subject to the procedure described in §10.405(b)(2) of this Chapter (relating to Material LURA Amendments).

(h) Documentation Required. A Development Owner must submit documentation requested by the Department to enable the Department to understand fully the facts and circumstances pertaining to the transfer and the effects of approval or denial. Documentation must be submitted as directed in the Post Award Activities Manual, which includes but is not limited to:

(1) A written explanation outlining the reason for the request;

(2) Ownership transfer information, including but not limited to the type of sale, terms of any new financing introduced as a result of the transfer, amount of Development reserves to transfer in the event of a property sale, and the prospective closing date;

(3) Pre- and post-transfer organizational charts with TINs of each organization down to the level of natural persons in the ownership structure as described in §11.204(12)(B) of Subchapter C of this title (relating to Required Documentation for Application Submission);

(4) A list of the names and contact information for transferees and Related Parties;

(5) Previous Participation information for any new Principal as described in §11.204(12)(C) of this title (relating to Required Documentation for Application Submission);

(6) Agreements among parties associated with the transfer;

(7) Owners Certifications with regard to materials submitted as further described in the Post Award Activities Manual;

(8) Detailed information describing the organizational structure, experience, and financial capacity of any party holding a controlling interest in any Principal or Controlling entity of the prospective Development Owner;

(9) Evidence and certification that the tenants in the Development have been notified in writing of the proposed transfer at least 30 calendar days prior to the date the transfer is approved by the Department. The ownership transfer approval letter will not be issued until this 30-day period has expired; ~~and~~

(10) For changes in the ownership structure that will result in a property tax exemption, a resolution of support from the municipality or a letter of support from the mayor, or if the Development is not within a municipality or its Extra Territorial Jurisdiction (ETJ), a resolution of support from the commissioners court or letter of support from the county judge. The documentation for this item must explicitly confirm the continued support of the Development with the property tax exemption; and

~~(11)~~ Any required exhibits and the list of exhibits related to specific circumstances of transfer or Ownership as detailed in the Post Award Activities Manual.

(i) Once the Department receives all necessary information under this section and as required under the Post Award Activities Manual, staff shall initiate a qualifications review of a transferee, in accordance with Chapter 1, Subchapter C of this title (relating to Previous Participation and Executive Award Review and Advisory Committee), to determine the transferee's past compliance with all aspects of the Department's programs, LURAs and eligibility under this chapter and §11.202 of this title (relating to Ineligible Applicants and Applications).

(j) Credit Limitation. As it relates to the Housing Tax Credit amount further described in §11.4(a) of this title

(relating to Tax Credit Request and Award Limits), the credit amount will not be applied in circumstances described in paragraphs (1) and (2) of this subsection:

(1) In cases of transfers in which the syndicator, investor or limited partner is taking over ownership of the Development and not merely replacing the general partner; or

(2) In cases where the general partner is being replaced if the award of credits was made at least five years prior to the transfer request date.

(k) Penalties, Past Due Fees, and Underfunded Reserves. The Development Owner must comply with any additional documentation requirements as stated in Subchapter F of this chapter (relating to Compliance Monitoring) and Subchapter G of this chapter (relating to Affirmative Marketing Requirements and Written Policies and Procedures). The Development Owner on record with the Department will be liable for any penalties or fees imposed by the Department (even if such penalty can be attributable to the new Development Owner) unless an ownership transfer has been approved by the Department. In the event a transferring Development has a history of uncorrected UPCS or NSPIRE violations, ongoing issues related to keeping housing sanitary, safe, and decent, an account balance below the annual reserve deposit amount as specified in §10.404(a) (relating to Replacement Reserve Accounts), or that appears insufficient to meet capital expenditure needs as indicated by the number or cost of repairs included in a PNA or SCR, the prospective Development Owner may be required to establish and maintain a replacement reserve account or increase the amount of regular deposits to the replacement reserve account by entering into a Reserve Agreement with the Department. The Department may also request a plan and timeline relating to needed repairs or renovations that will be completed by the departing and/or incoming Owner as a condition to approving the Transfer. A PNA or SCR may be requested if one has not already been received under §10.404 of this section (relating to Reserve Accounts).

(l) Ownership Transfer Processing Fee. The ownership transfer request must be accompanied by the corresponding ownership transfer fee as outlined in §11.901 of this title (relating to Fee Schedule).
