BEFORE THE
TEXAS DEPARTMENT OF
HOUSING AND
COMMUNITY AFFAIRS

AGREED FINAL ORDER

General Remarks and official action taken:

On this 23rd day of March, 2017, the Governing Board (“Board”) of the Texas Department of Housing and Community Affairs (“TDHCA”) considered the matter of whether enforcement action should be taken against **ALTMAN FAMILY TRUST** (“Respondent”).

This Agreed Order is executed pursuant to the authority of the Administrative Procedure Act (“APA”), Tex. Gov’t Code §2001.056, which authorizes the informal disposition of contested cases. In a desire to conclude this matter without further delay and expense, the Board and Respondent agree to resolve this matter by this Agreed Final Order. The Respondent agrees to this Order for the purpose of resolving this proceeding only and without admitting or denying the findings of fact and conclusions of law set out in this Order.

Upon recommendation of the Enforcement Committee, the Board makes the following findings of fact and conclusions of law and enters this Order:

WAIVER

Respondent acknowledges the existence of their right to request a hearing as provided by Tex. Gov’t Code § 2306.044, and to seek judicial review, in the District Court of Travis County, Texas, of any order as provided by Tex. Gov’t Code § 2306.047. Pursuant to this compromise and settlement, the Respondent waives those rights and acknowledges the jurisdiction of the Board over Respondent.

FINDINGS OF FACT

Jurisdiction:

1. During 1991, Respondent was awarded an allocation of Low Income Housing Tax Credits by the Board, in an annual amount of \$72,150 to rehabilitate and operate Royal Palm (“Property”) (HTC file No. 91017 / CMTS No. 947 / LDLD No. 135).
2. Respondent signed a land use restriction agreement (“LURA”) regarding the Property. The LURA was effective October 8, 1991, and filed of record at Volume 91199, Page 0386 of the Official Public Records of Real Property of Dallas County, Texas (“Records”).
3. Respondent is subject to the regulatory authority of TDHCA.

Compliance Violations¹:

4. An on-site monitoring review was conducted on January 17, 2016, to determine whether Respondent was in compliance with LURA requirements to lease units to low income households and maintain records demonstrating eligibility. The monitoring review found violations of the LURA and TDHCA rules. Notifications of noncompliance were sent and a July 11, 2016, corrective action deadline was set, however, the following violations were not corrected before that deadline:
 - a. Respondent failed to provide a compliant affirmative marketing plan, a violation of 10 TAC §10.617 (Affirmative Marketing), which requires developments to maintain an affirmative marketing plan that meets minimum requirements and to distribute marketing materials to selected marketing organizations that reach groups identified as least likely to apply and to the disabled. An affirmative marketing plan was received in response to an administrative penalty informal conference notice, but the plan omitted the required marketing materials to prove that the development was carrying out marketing to the disabled. A plan was received on January 17, 2017, but did not comply with minimum rule requirements. The violation is uncorrected;
 - b. Respondent failed to maintain written tenant selection criteria, a violation of 10 TAC §10.610 (Written Policies and Procedures), which requires all developments to establish written tenant selection criteria that meet minimum TDHCA requirements. Criteria were submitted on January 17, 2017, but did not meet minimum rule requirements. The violation is uncorrected;
 - c. Respondent failed to provide documentation that household incomes were within prescribed limits upon initial occupancy for units 105, 201, 205, and 211, a violation of 10 TAC §10.611 (Determination, Documentation and Certification of Annual Income) and Section 4 of the LURA, which require screening of tenants to ensure qualification for the program. Documentation was received on January 17, 2017, but did not meet minimum requirements to prove eligibility. The violations are uncorrected;
 - d. Respondent failed to post a laminated copy of the Tenant Rights and Resources Guide in a common area of the leasing office, a violation of 10 TAC §10.613 (Lease Requirements), which requires owners to post a laminated copy of the Guide in a common area of the leasing office. No corrective documentation was received. This violation is uncorrected;
 - e. Respondent failed to provide a Tenant Rights and Resources Guide and get a signed Acknowledgment for units 105, 201, 211, and 212, a violation of 10 TAC §10.613 (Lease Requirements), which requires owners to provide a copy to each household during the application process and upon any subsequent change to common amenities, unit amenities, or services. The violations for units 201, 211, and 212 were corrected on January 17, 2017, 190 days after the corrective action deadline,

¹ Within this Agreed Final Order, all references to violations of TDHCA Compliance Monitoring rules at 10 TAC §§ 10 and 60 refer to the versions of the code in effect at the time of the compliance monitoring reviews and/or inspections that resulted in recording each violation. All past violations remain violations under the current code and all interim amendments.

after intervention by the Enforcement Committee. The violation for unit 105 is uncorrected;

- f. Respondent failed to provide the Fair Housing Disclosure Notice for unit 205, a violation of 10 TAC §10.612 (Lease Requirements), which, at the time of move-in for the household, required all developments to provide prospective households with a fair housing disclosure notice within a certain time period. This rule has since changed and the form has been combined with the Notice of Amenities and Services into a replacement document called a “Tenant Rights and Resources Guide”. The violation was corrected on January 17, 2017, 190 days after the corrective action deadline, after intervention by the Enforcement Committee; and
 - g. Respondent failed to execute required lease provisions or exclude prohibited lease language for units 105, 201, 211, or 212, a violation of 10 TAC §10.613 (Lease Requirements), which requires leases to include specific language protecting tenants from eviction without good cause and prohibiting owners from taking certain actions such as locking out or seizing property, or threatening to do so, except by judicial process. The violations for units 201, 211, and 212 were corrected on January 17, 2017, 190 days after the corrective action deadline, after intervention by the Enforcement Committee. The violation for unit 105 is uncorrected.
5. On September 16, 2016, TDHCA sent a notice requiring Respondent to respond and clarify an answer on Part A of the 2015 Annual Owner’s Compliance Report, which had indicated that all units in the complex are rented on a month-to-month basis, which is a potential violation under the LURA and TDHCA rules. Respondent failed to reply to the query regarding the annual report, a violation of 10 TAC §10.607 (Reporting Requirements), which requires Respondents to certify that the property complies with all applicable program requirements. This violation remains uncorrected.
 6. The following violations remain outstanding at the time of this order:
 - a. Affirmative marketing violation described in FOF #4.a;
 - b. Written policies and procedures violation described in FOF #4.b;
 - c. Household income violations described in FOF #4.c;
 - d. Tenant Rights and Resources Guide posting violation described in FOF #4.d;
 - e. Tenant Rights and Resources Guide Acknowledgment violation described in FOF #4.e;
 - f. Lease language violation described in FOF #4.g; and
 - g. Annual reporting violation described in FOF #5.

CONCLUSIONS OF LAW

1. The Department has jurisdiction over this matter pursuant to Tex. Gov't Code §§2306.041-.0503 and 10 TAC §2.
2. Respondent is a "housing sponsor" as that term is defined in Tex. Gov't Code §2306.004(14).
3. Pursuant to IRC §42(m)(1)(B)(iii), housing credit agencies are required to monitor for noncompliance with all provisions of the IRC and to notify the Internal Revenue Service of such noncompliance.
4. Respondent violated 10 TAC §10.617 in 2016, by failing to provide a complete affirmative marketing plan.
5. Respondent violated 10 TAC §10.610 in 2016, by not maintaining written tenant selection criteria meeting TDHCA requirements;
6. Respondent violated 10 TAC §10.611 and Section 4 of the LURA in 2016, by failing to provide documentation that household incomes were within prescribed limits upon initial occupancy for units 105, 201, 2015, and 211.
7. Respondent violated leasing requirements in 10 TAC §10.613 in 2016, by failing to post a laminated copy of the Tenant Rights and Resources Guide in a common area of the leasing office.
8. Respondent violated leasing requirements in 10 TAC §10.613 in 2016, by failing to provide a Tenant Rights and Resources Guide to units 105, 201, 211, and 212, and have the households sign acknowledgment forms.
9. Respondent violated 10 TAC §10.612 in 2013, by failing to execute the Fair Housing Disclosure Notice for unit 205.
10. Respondent violated leasing requirements in 10 TAC §10.613 in 2016, by failing to execute lease addenda for units 105, 201, 211, and 212, that included required lease language.
11. Respondent violated 10 TAC §10.607 in 2016 by failing to certify answers in the Annual Owner's Compliance Report for the year 2015.
12. Because Respondent is a housing sponsor with respect to the Property, and has violated TDHCA rules, the Board has personal and subject matter jurisdiction over Respondent pursuant to Tex. Gov't Code §2306.041 and §2306.267.
13. Because Respondent is a housing sponsor, TDHCA may order Respondent to perform or refrain from performing certain acts in order to comply with the law, TDHCA rules, or the terms of a contract or agreement to which Respondent and TDHCA are parties, pursuant to Tex. Gov't Code §2306.267.
14. Because Respondent has violated rules promulgated pursuant to Tex. Gov't Code § 2306.053 and has violated agreements with the Agency to which Respondent is a party, the Agency may impose an administrative penalty pursuant to Tex. Gov't Code §2306.041.
15. An administrative penalty of \$1,000 is an appropriate penalty in accordance with 10 TAC §2.

Based upon the foregoing findings of fact and conclusions of law, and an assessment of the factors set forth in Tex. Gov't Code §2306.042 to be considered in assessing such penalties as applied specifically to the facts and circumstances present in this case, the Board of the Texas Department of Housing and Community Affairs orders the following:

IT IS HEREBY ORDERED that Respondent is assessed an administrative penalty in the amount of \$1,000, subject to deferral as further ordered below.

IT IS FURTHER ORDERED that Sam Matalone and April West shall attend First Thursday Income Eligibility Training² and HTC Compliance Training³ offered by TDHCA or the Texas Apartment Association, and submit completion certificates on or before June 21, 2017.

IT IS FURTHER ORDERED that Respondent shall fully correct the file monitoring violations as indicated in the attachments and submit full documentation of the corrections to TDHCA on or before June 21, 2017.

IT IS FURTHER ORDERED that if Respondent timely and fully complies with the terms and conditions of this Agreed Final Order, correcting all violations as required, the satisfactory performance under this order will be accepted in lieu of the assessed administrative penalty and the full amount of the administrative penalty will be deferred and forgiven.

IT IS FURTHER ORDERED that if Respondent fails to satisfy any conditions or otherwise violates any provision of this order, or the property is sold before the terms and conditions of this Agreed Final Order have been fully satisfied, then the full administrative penalty in the amount of \$1,000 shall be immediately due and payable to the Department. Such payment shall be made by cashier's check payable to the "Texas Department of Housing and Community Affairs" upon the earlier of (1) within thirty days of the date the Department sends written notice to Respondent that it has violated a provision of this Order, or (2) the property closing date if sold before the terms and conditions of this Agreed Final Order have been fully satisfied.

IT IS FURTHER ORDERED that corrective documentation must be uploaded to the Compliance Monitoring and Tracking System ("CMTS") by following the instructions at this link: <http://www.tdhca.state.tx.us/pmcdocs/CMTSUserGuide-AttachingDocs.pdf>. After the uploads are complete, an email must be sent to Ysella Kaseman at ysella.kaseman@tdhca.state.tx.us to inform her that the documentation is complete and ready for review. If it comes due and payable, the penalty payment must be submitted to the following address:

³ Register online at <https://www.taa.org/events/>

IT IS FURTHER ORDERED that Respondent shall follow the requirements of 10 TAC 10.406, a copy of which is included at Attachment 4, and obtain approval from the Department prior to consummating a sale of the property, if contemplated.

IT IS FURTHER ORDERED that the terms of this Agreed Final Order shall be published on the TDHCA website.

4. **All corrections must be submitted via CMTS:** See link for steps to upload documents <http://www.tdhca.state.tx.us/pmcdocs/CMTSUserGuide-AttachingDocs.pdf>.

5. **Important notes -**

- i. Do not backdate any documents.
- ii. A transfer of a qualified household from another unit is not sufficient to correct any findings. If there is a tenant income certification or household income above limit violation, a transfer from another unit will simply cause the finding to transfer to that unit.

6. **Written tenant selection criteria** – Respondent submitted written tenant selection criteria, however, the criteria were incomplete.

Submit updated written policies and procedures addressing all requirements at 10 TAC §10.610, including but not limited to the requirement to state that the Development will comply with state or federal fair housing and anti-discrimination laws. Staff recommends using the rule as a checklist.

A webinar presentation is available at: <http://www.tdhca.state.tx.us/pmcomp/presentations.htm>. A cheat sheet for further verification is available at <http://www.tdhca.state.tx.us/pmcdocs/15-AOCR-TSC.pdf>, however, please note that the cheat sheet was only published as an aide for annual reporting and, as such, should not be relied upon as a primary resource; you are required to follow all requirements of the rule.

7. **Affirmative marketing plan** – Submit complete Affirmative Marketing Plan along with outreach marketing materials, as indicated below. A webinar presentation is available at: <http://www.tdhca.state.tx.us/pmcomp/presentations.htm>.

Frequent problems observed by TDHCA that cause plans to be rejected: Respondent has not submitted an affirmative marketing plan and this section is intended to help you to avoid frequent errors observed by the Department. Frequent problems include, but are not limited to:

- Not using HUD Form 935.2A;
- Not correctly identifying populations “least likely to apply”. In general, those populations that are least likely to apply *might* include: African Americans, Native Americans, Alaskan Natives, Asians, Native Hawaiians, Other Pacific Islanders, Caucasians (non-Hispanic), Hispanics or Latinos, families with children, and the disabled. Analysis is required to determine which of these groups are least likely to apply. If a population is not present in the area, that group should not be selected. All properties must market to the disabled population.
- Not correctly identifying organizations that are specifically associated with groups identified as “least likely to apply”. For example, marketing to the Housing Authority or placing ads in Craigslist would be considered general marketing, not affirmative marketing, because both serve all persons living in the area;
- Not including evidence of special outreach efforts, such as marketing letters, to those “least likely to apply” populations through specific media, organizations, or community contacts that work with “least likely to apply” populations or work in areas where “least likely to apply” populations live;
- Not including a sentence in English and Spanish in the outreach marketing materials that prospective tenants can access if reasonable accommodations are needed to complete the application process.

To correct:

- a. Identify the appropriate housing market in which outreach efforts will be made;
- b. Determine the groups that are least likely to apply.

The Affirmative Marketing Web Tool referenced at 10 TAC §10.617(d)(5) to determine groups that are least likely to apply is available online at: <http://www.tdhca.state.tx.us/pmcomp/forms.htm>. If you use this tool, you may rely on the results to be accurate, however, you should first ensure that your quarterly vacancy reports are up-to-date in CMTS since the Tool uses that data in its analysis. If you do not use this tool, you must justify your group selections as indicated in the rule.

Since your property has under 40 units, you must enter its census tract (48113001400) into the right side of the Tool rather than selecting the development name from the drop-down menu on the left side of the tool.

Persons with disabilities must always be selected as a group least likely to apply.

- c. Identify specific organizations, media, and community contacts in the housing market to send marketing outreach materials. The organizations must specifically reach those groups designated as least likely to apply, including organizations that assist persons with disabilities. For example, a local housing authority serves the general public, not a specific racial or ethnic demographic; therefore, marketing to the housing authority is

not affirmative marketing. A Hispanic Chamber of Commerce or Hispanic publication could be an avenue to market to the Hispanic population if that group is identified as one that is least likely to apply. Similarly, local groups that focus on helping the mentally disabled, physically disabled, disabled veteran affairs groups, etc, could be a way to market to the disabled community. Some examples of groups that focus on the disabled: Easter Seals, United Cerebral Palsy, American Council of the Blind, The Blinded Veterans Association.

- d. Complete and execute an affirmative marketing plan using any version of HUD Form 935.2A, including the groups and organizations identified above.
 - e. Comply with all requirements of 10 TAC §10.617, which we recommend using as a checklist.
 - f. Send marketing outreach materials to the identified organizations, ensuring that said marketing materials comply with all requirements of 10 TAC §10.617. Remember that 10 TAC §10.617(f)(5) requires marketing materials to include the Fair Housing Logo and give contact information that prospective tenants can access if reasonable accommodations are needed in order to complete the application process. This contact information sentence must include the terms “reasonable accommodation” and must be in English and Spanish. Here is a sample of an acceptable sentence recently included in marketing materials from another property: *“Individuals who need to request a reasonable accommodation to complete the application process should contact the apartment manager at XXX-XXX-XXXX. Personas con discapacidad que necesitan solicitar un acomodacion razonable para completar el proceso de aplicacion deben comunicarse con el Administrador del apartment al XXX-XXX-XXXX.”*
 - g. Submit all documentation to the Department via CMTS for review.
- 6. Tenant Rights and Resources Guide posting violation:** Post a laminated copy of the guide in a common area of the leasing office and submit a certification to the Department that this has been completed.
- 7. Tenant Rights and Resources Guide violation for unit 105:**
- a. If correctable: Implement Tenants Rights and Resource Guide as indicated at 10 TAC §10.613(k) and submit signed Tenants Rights and Resource Guide Acknowledgments for unit 105.
 - b. If uncorrectable: If the tenant has moved out without signing this form, please submit a letter to TDHCA including the move-out date and acknowledging that the finding cannot be resolved. The violation would be uncorrectable, but will not trigger penalty payment under this Agreed Final Order.
- 8. Lease language violation for unit 105:**
- a. If correctable: If the affected household remains in the unit, have the household execute the required lease addendum and submit to the Department. Ensure that it addresses the requirements of 10 TAC §10.613(a) and 10 TAC §10.613(e).
 - b. If uncorrectable: If the tenant has moved out without signing, please submit a letter to TDHCA including the move-out date and acknowledging that the finding cannot be resolved. The violation would be uncorrectable, but will not trigger penalty payment under this Agreed Final Order.

9. Household income violations for units 105, 201, 205, and 211: Some documentation has been received for these units, but was incomplete and did not follow TDHCA instructions. Follow the instructions below and submit documentation:

Circumstance with respect to units listed above	Instruction
If unit is occupied by a qualified household	Follow the instructions that are outlined separately for each unit in Attachment 2. If the household-specific circumstances outlined at Attachment 2 no longer exist, follow the instructions below.
If unit is occupied by a new qualified household	Submit the full tenant file*.
If unit is occupied by a nonqualified household on a month-to-month lease	<p>A. Follow your normal procedures for terminating residency and provide a copy of documentation to TDHCA.**</p> <p>B. As soon as the unit is occupied by a qualified household, you must submit the full tenant file*. Receipt after 6/21/2017 is acceptable for this circumstance provided that Requirement A above is fulfilled.</p>
If unit is occupied by a nonqualified household with a non-expired lease	<p>A. Issue a nonrenewal notice to tenant and provide a copy to TDHCA.**</p> <p>B. As soon as the unit is occupied by a qualified household, you must submit the full tenant file*. Receipt after 6/21/2017 is acceptable for this circumstance provided that Requirement A above is fulfilled.</p>
If unit has been vacant <i>more than</i> 30 days	<p>A. Unit must be made ready for occupancy and a letter certifying to that effect must be submitted to TDHCA.</p> <p>B. As soon as the unit is occupied by a qualified household, you must submit the full tenant file*. Receipt after 6/21/2017 is acceptable for this circumstance provided that Requirement A above is fulfilled.</p>
If unit has been vacant <i>less than</i> 30 days	<p>A. If unit is ready for occupancy, a letter certifying to that effect must be submitted to TDHCA.</p> <p>B. If unit is not ready for occupancy, submit a letter to TDHCA including details regarding work that is required and when the unit will be ready for occupancy (no more than 30 days from the date of vacancy).</p> <p>C. As soon as the unit is occupied by a qualified household, you must submit the full tenant file*. Receipt after 6/21/2017 is acceptable for this circumstance provided that Requirements A and B above are fulfilled.</p>

*Full tenant file must include: tenant application, verifications of all sources of income and assets, tenant income certification, lease, lease addendum, and Tenant Rights and Resources Guide Acknowledgment.

** If a notice of nonrenewal or notice of termination is sent to tenant, ensure that it complies with TDHCA requirements of the rule at 10 TAC 10.610(f) at this link:

Tenant File Guidelines

The following technical support does not represent a complete list of all file requirements and is intended only as a guide.

1. **Intake Application:** The Department does not have a required form to screen households, but we make this form available for that purpose. It is required that households be screened for household composition, income and assets. Applicants must complete all blanks on the application and answer all questions. Any lines left intentionally blank should be marked with “none” or “n/a.” The application must be signed and dated by all adult household members, using the date that the form is actually completed.
2. **Verify Income:** Each source of income and asset must be documented for every adult household member based upon the information disclosed on the application. There are multiple methods:
 - a. **First hand verifications:** Paystubs or payroll print-outs that show gross income. If you choose this method, ensure that you consistently collect a specified number of consecutive check stubs as defined in your management plan;
 - b. **Employment Verification Form:** Part 1 must be completed by you and signed by the tenant. Part 2 must be completed by the employer. To prevent fraud, you must submit the form directly to the employer and must not allow the tenant to handle it. You should ensure that the person completing the employer portion has authority to do so and has access to all applicable information in order to verify the employment income. If you receive the verification via mail, retain the envelope. If you receive it via fax, ensure that the fax stamp is on it;
 - c. **Verification of non-employment income:** You must obtain verifications for all other income sources, such as child support, social security, and/or unemployment benefits;
 - d. **Telephone Verifications:** these are acceptable *only* for clarifying discrepancies and cannot be used as primary form of verification. Include your name, the date, the name of the person with whom you spoke, and your signature;
 - e. **Certification of Zero Income:** If an adult household member does not report any sources of income on the application, this form can be used to document thorough screening and to document the source of funds used to pay for rent, utilities, and/or other necessities.

3. **Verify Assets:** Regardless of their balances, applicants must report all assets owned, including assets such as checking or savings accounts. The accounts are typically disclosed on the application form, but you must review all documentation from the tenant to ensure proper documentation of the household's income and assets. For instance, review the credit report (if you pull one), application, pay stubs, and other documents to ensure that all information is consistent. Examples of ways to find assets that are frequently overlooked: Review pay stubs for assets such as checking and retirement accounts that the household may have forgotten to include in the application. These accounts must also be verified. Format of verifications:
 - a. **Under \$5000 Asset Certification Form:** If the total cash value of the assets owned by members of the household is less than \$5,000, as reported on the Intake Application, the TDHCA Under \$5,000 Asset Certification form may be used to verify assets. If applicable, follow the instructions to complete one form per household that includes everyone's assets, even minors, and have all adults sign and date using the date that the form is actually completed.
 - b. **First hand verifications** such as bank statements to verify a checking account. Ensure that you use a consistent number of consecutive statements, as identified in your management plan.
 - c. **3rd party verifications** using the TDHCA Asset Verification form. As with the "Employment Verification Form" discussed above, Part 1 must be completed by you and signed by the tenant. Part 2 must be completed by the financial institution. To prevent fraud, you must submit the form directly to the employer and must not allow the tenant to handle it. You should ensure that the person completing the financial institution's portion has authority to do so and has access to all applicable information in order to verify the asset(s). If you receive the verification via mail, retain the envelope. If you receive it via fax, ensure that the fax stamp is on it.
4. **Tenant Income Certification Form:** Upon verification of all income and asset sources disclosed on the application and any additional information found in the documentation submitted by the tenant, the next step is to annualize the sources on the Income Certification Form, add them together, and compare to the applicable income limit for household size which can be found at <http://www.tdhca.state.tx.us/pmcomp/irl/index.htm>. Be sure to include any income derived from assets. The form must include (and be signed by) each adult household member.
5. **Lease:** Must conform with your LURA and TDHCA requirements and indicate a rent below the maximum rent limits, which can be found at <http://www.tdhca.state.tx.us/pmcomp/irl/index.htm>. When determining the rent, ensure that the tenant's rent, plus the utility allowance, plus any housing subsidies, plus any mandatory fees, are below the maximum limits set by TDHCA. 10 TAC §10.613(a) prohibits the eviction or termination of tenancy of low income households for reasons other than good cause throughout the affordability period in accordance with Revenue Ruling 2004-82. In addition, 10 TAC §10.613(e) prohibits HTC developments from locking out or threatening to lock out any development resident, or seizing or threatening to seize personal property of a resident, except by judicial process, for purposes of performing necessary repairs or construction work, or in case of emergency. The prohibitions must be included in the lease or lease addendum. The Texas Apartment Association has an affordable lease addendum that has incorporated this required language. If you are not a TAA member, you can draft a lease addendum using the requirements outlined above.

6. **Tenant Rights and Resources Guide:** As of 1/8/2015, the Fair Housing Disclosure Notice and Tenant Amenities and Services Notice have been replaced by the Tenant Rights and Resources Guide, a copy of which is available online at: <http://www.tdhca.state.tx.us/pmcdocs/FairHousingDisclosureBooklet.doc>.

In accordance with 10 TAC §10.613(k), a laminated copy of this guide must be posted in a common area of the leasing office. Texas Administrative Code

TITLE 10	COMMUNITY DEVELOPMENT
PART 1	TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS
CHAPTER 10	UNIFORM MULTIFAMILY RULES
SUBCHAPTER E	POST AWARD AND ASSET MANAGEMENT REQUIREMENTS
RULE §10.406	Ownership Transfers (§2306.6713)

(a) Ownership Transfer Notification. All multifamily Development Owners must provide written notice to the Department at least thirty (30) calendar days prior to any sale, transfer, or exchange of the Development or any portion of or Controlling interest in the Development. Transfers that are the result of an involuntary removal of the general partner by the investment limited partner must be reported to the Department, as soon as possible due to the sensitive timing and nature of this decision. If the Department determines that the transfer, involuntary removal, or replacement was due to a default by the General Partner under the Limited Partnership Agreement, or other detrimental action that put the Development at risk of failure, staff may make a recommendation to the Board for the debarment of the entity and/or its Principals and Affiliates pursuant to the Department's debarment rule. In addition, a record of transfer involving Principals in new proposed awards will be reported and may be taken into consideration by the Executive Award and Review Committee, in accordance with §1.5 of this title (relating to Previous Participation Reviews), prior to recommending any new financing or allocation of credits.

(b) Requirement. Department approval must be requested for any new member to join in the ownership of a Development. Exceptions include changes to the investment limited partner, non-controlling limited partner, or other partners affiliated with the investment limited partner, or changes resulting from foreclosure wherein the lender or financial institution involved in the transaction is the resulting owner. Any subsequent transfer of the Development will be required to adhere to the process in this section. Furthermore, a Development Owner may not transfer an allocation of tax credits or ownership of a Development supported with an allocation of tax credits to any Person or entity unless the Development Owner obtains the Executive Director's prior, written approval of the transfer. The Executive Director may not unreasonably withhold approval of the transfer requested in compliance with this section. Notwithstanding the foregoing, a Development Owner shall be required to notify the Department but shall not be required to obtain Executive Director approval when the transferee is an Affiliate of the Development Owner with no new members or the transferee is a Related Party who does not Control the Development and the transfer is being made for estate planning purposes.

(c) Transfers Prior to 8609 Issuance or Construction Completion. Transfers (other than those that do not require Executive Director approval, as set forth in subsection (b) of this section) will not be approved prior to the issuance of IRS Form(s) 8609 (for Housing Tax Credits) or the completion of construction (for all Developments funded through other Department programs) unless the Development Owner can provide evidence that the need for the transfer is due to a hardship (ex. potential bankruptcy, removal by a partner, etc.). The Development Owner must provide the Department with a written explanation describing the hardship and a copy of any applicable agreement between the parties to the transfer, including any Third-Party agreement.

(d) Non-Profit Organizations. If the ownership transfer request is to replace a non-profit organization within the Development ownership entity, the replacement non-profit entity must adhere to the requirements in paragraph (1) or (2) of this subsection.

(1) If the LURA requires ownership or material participation in ownership by a Qualified Non-Profit Organization, and the Development received Tax Credits pursuant to §42(h)(5) of the Code, the transferee must be a Qualified Non-Profit Organization that meets the requirements of §42(h)(5) of the Code and Texas Government Code §2306.6706.

(2) If the LURA requires ownership or material participation in ownership by a qualified non-profit organization, but the Development did not receive Tax Credits pursuant to §42(h)(5) of the Code, the Development Owner must show that the transferee is a non-profit organization that complies with the LURA.

(e) Historically Underutilized Business ("HUB") Organizations. If a HUB is the general partner of a Development Owner and it (i) is being removed as the result of a default under the organizational documents of the Development Owner or (ii) determines to sell its ownership interest, in either case, after the issuance of 8609s, the purchaser of that general partnership interest is not required to be a HUB as long as the LURA does not require such continual ownership or a material LURA amendment is approved. Such approval can be obtained concurrent with Board approval described herein. All such transfers must be approved by the Board and require that the Board find that:

(1) the selling HUB is acting of its own volition or is being removed as the result of a default under the organizational documents of the Development Owner;

(2) the participation by the HUB has been substantive and meaningful, or would have been substantial and meaningful had the HUB not defaulted under the organizational documents of the Development Owner, enabling it to realize not only financial benefit but to acquire skills relating to the ownership and operation of affordable housing; and

(3) the proposed purchaser meets the Department's standards for ownership transfers

(f) Documentation Required. A Development Owner must submit documentation requested by the Department to enable the Department to understand fully the facts and circumstances that gave rise to the need for the transfer and the effects of approval or denial. Documentation includes but is not limited to:

(1) a written explanation outlining the reason for the request;

(2) a list of the names of transferees and Related Parties;

(3) detailed information describing the experience and financial capacity of transferees and related parties holding an ownership interest of 10 percent or greater in any Principal or Controlling entity;

(4) evidence and certification that the tenants in the Development have been notified in writing of the proposed transfer at least thirty (30) calendar days prior to the date the transfer is approved by the Department. The ownership transfer approval letter will not be issued until this 30 day period has expired.

(g) Within five (5) business days after the date the Department receives all necessary information under this section, staff shall initiate a qualifications review of a transferee, in accordance with §1.5 of this title, to determine the transferee's past compliance with all aspects of the Department's programs, LURAs and eligibility under this chapter.

(h) Credit Limitation. As it relates to the Housing Tax Credit amount further described in §11.4(a) of this title (relating to Tax Credit Request and Award Limits), the credit amount will not be applied in circumstances described in paragraphs (1) and (2) of this subsection:

(1) in cases of transfers in which the syndicator, investor or limited partner is taking over ownership of the Development and not merely replacing the general partner; or

(2) in cases where the general partner is being replaced if the award of credits was made at least five (5) years prior to the transfer request date.

(i) Penalties. The Development Owner must comply with any additional documentation requirements as stated in Subchapter F of this chapter (relating to Compliance Monitoring). The Development Owner, as on record with the Department, will be liable for any penalties imposed by the Department even if such penalty can be attributable to the new Development Owner unless such ownership transfer is approved by the Department.

(j) Ownership Transfer Processing Fee. The ownership transfer request must be accompanied by corresponding ownership transfer fee as outlined in §10.901 of this chapter (relating to Fee Schedule).
