## **Housing Sponsor Report Overview**

The *2012 TDHCA Housing Sponsor Report -- Reporting on December 31, 2011* (HSR) is intended to provide property and occupant profiles for multifamily (and in some cases single family) properties receiving assistance from the Texas Department of Housing and Community Affairs (TDHCA). The information from this report is used to comply with the reporting requirements of section 2306.072 and section 2306.0724 of the Texas Government Code. The legislation requires analysis of information that may not be collected by each program, and therefore must be collected by other means. The HSR survey was devised as a method to assemble the required information.

It should be noted that the information represents the status of TDHCA assisted properties at a particular moment (December 31, 2011), not a cumulative total of households served within the year. While the *State Low Income Housing Plan and Annual Report* reports on the **estimated** person/households served within a fiscal year, the *Housing Sponsor Report* reports on the **actual** population served by TDHCA assisted properties.

The following is a Multi-Family program requirements for units reported on in this document:

### **Program Requirements**

#### **Housing Tax Credit Program (HTC):**

- At minimum 40% of the units must be leased to Households (HH) earning 60% or less of AMFI

or

- At minimum 20% of the units must be leased to HH earning 50% or less of AMFI

Rents are calculated using the 50% or 60% income limit. The Department provides annual updates of the limits to owners.

#### **Home Investment Partnership Program (HOME):**

##### *Initial Occupancy:*

- 20% of units occupied by HH earning less than 50% of AMFI
- 70% of units occupied by HH earning less than 60% of AMFI
- 10% of units occupied by HH earning less than 80% of AMFI

Once the initial occupancy requirements are confirmed, the property moves to:

*Long Term Occupancy:*

- 20% of units occupied by HH earning less than 60% of AMFI
- 80% of units occupied by HH earning less than 80% of AMFI

Rents are calculated for Very Low and Low Income. Rent limits are provided to owners on an annual basis. If the HH income increases above 80% of AMFI, the rent is no longer formula driven, but must be calculated at 30% of the individuals household's actual adjusted income.

**Housing Trust Fund (HTF):**

- Set asides are established with each HTF award.

Rents are formula driven, based on each income group set aside. The program currently utilizes the HTC limits, calculated using 50% and 60% of AMFI. The Department provides annual updates of the rent limits to owners.

Housing Trust fund projects define Very Low Income as 60% of AMFI and Low Income as 80% of AMFI. Most projects are a mix of Low and Very Low income households, with a special needs requirement.

**TAX EXEMPT Bonds (pre 1986):**

- 20% of the units must be leased to HH earning 80% (or below) of AMFI
- 5% set aside for persons with special needs

There are no rent restrictions. However, if the owner applies to the Department for modification such as refunding or restructuring, new public policy requirements are imposed in exchange for TDHCA participation. The changes are as follows:

- Increase set aside to 25%
- Increase special needs set aside to 10%
- May include rent limits
- Require that owner not discriminate against a prospective tenant solely on the basis that the tenant has rental assistance

**501(C) (3):**

- 20% of the units must be leased to HH earning 50% of AMFI

or

- 40% of the units must be leased to HH earning 60% of AMFI
- 5% set aside for special needs

The rents are calculated using the same formula as HTC. The Department provides annual updates of the rent limits to owners.

In addition to the above restrictions, all of the tax exempt projects have upper income caps or restriction.

## Occupant Profile Summary

The following summary is based upon forms returned by property owners or managers, and is intended to represent the occupancy and rent levels of projects as of December 31, 2011. Not all properties returned the Housing Sponsor Report forms, so, therefore, this summary is not representative of the entire TDHCA portfolio.
