Reason

Annualizing the average of the most recent paystubs for the household resulted in the household's annual gross income of \$47,343.40 , which exceeds the applicable 60% AMI income limit of \$39,120.

Corrective Action

To correct, designate unit 1721 to an 80% AMI unit since their income exceeds the 60% AMI limit and lease the next available unit of comparable or smaller size to a household that income qualifies at the 60% AMI limit. Owner may survey existing vacant non-program units to replace unit 1721 and reserve as a program-unit to be occupied with a household that income qualifies at 60% AMI. Submit documentation to the Department that the unit is vacant and a statement that it is reserved to be occupied by a Low-Income Household. Finding

Household above the income limit

Noncompliance Date

8/21/2023

Correction Date:

Reason

The household is comprised of four household members. Household member one indicates employment income, but there were no income verifications in the file. Household member two, the employer listed on the application is not the same employer that is listed on the paystubs in the file.

Corrective Action

The owner may complete a retroactive income certification that completely and clearly documents the sources of income/assets for all household members that were in place at the time of the initial certification and apply income limits that were in effect on the initial move-in date. Submit for Department review a copy of the application(s), income/asset verifications and a new Income Certification form that clearly documents all sources of income/assets at the time of move-in. Or the owner has the option to complete a new current certification using current income/assets sources and current income limits. Submit for Department review a copy of the application(s), income/asset verifications and a new Income Certification form that clearly documents all current sources of income/assets. If the household has moved out or is not income eligible, occupy the unit or another comparable unit on the property with a new income eligible household. Submit copies of the application(s), income/asset verifications, an Income Certification, lease contract and applicable lease addendums to the Department for review.
