Finding Failure to comply with §10.1103(1)
Noncompliance Date 12/31/2023 Correction Date:
Reason An Audit Report from an Auditor must be submitted to the Department annually. This submission will satisfy the requirements by demonstrating eligibility to continue under the former law, but must fully address the requirements of identifying the difference in rent charged for income-restricted residential units and the estimated maximum market rents that could be charged for those units without the rent and income restrictions.
The Audit Report submitted to the Department did not contain the comparison of the restricted rent to the estimated market rent on Tab 7 of the Audit Report.
Corrective Action Submit the comparison of the restricted rent to the estimated market rent for each unit identified in Tab 7.

Unit # 1-0111
Finding Household above the income limit
Noncompliance Date 12/9/2023 Correction Date:
Reason In accordance with Section 3(c) of the Regulatory Agreement, the following items are acceptable to determine income eligibility: (1) pay stubs for the most recent four-week period; (2) income tax returns for the most recent two tax years; (3) an income verification from the applicant's current employer; (4) an income verification from the Social Security Administration; or (5) if applicant is unemployed, does not have tax returns or is otherwise unable to provide other forms of verification as required, another form of independent verification as would be satisfactory.
Tenant file contained W2 for 2022 as verification of income. For this income verification type, two years of tax returns are required per the Development's Regulatory Agreement. The Auditor reported the income could not be determined or verified.

Corrective Action The owner may complete a retroactive income certification that completely and clearly documents the sources of income/assets for all household members that were in place at the time of the initial certification and apply income limits that were in effect on the initial move-in date. Submit for Department review a copy of the application(s), income/asset verifications and a new Income Certification form that clearly documents all sources of income/assets at the time of move-in. Or the owner has the option to complete a new current certification using current income/assets sources and current income limits. Submit for Department review a copy of the application(s), income/asset verifications and a new Income Certification form that clearly documents all current sources of income/assets. If the household has moved out or is not income eligible, occupy the unit or another comparable unit on the property with a new income eligible household. Submit copies of the application(s), income/asset verifications, an Income Certification, lease contract and applicable lease addendums to the Department for review.
