PROPERTY FINDINGS

Finding	Failure to comply with the Public Facility Corporation Regulatory Agreement	Correction Date:
Noncompliance Date	1/22/2025	
Reason	Section 3(f) of the Development's Regulatory Agreement states, each lease or rental agreement pertaining to a Low-Income Unit shall contain a provision to the effect that the Development has relied on the Income Certification and supporting information supplied by the Low Income Household in determining qualification for occupancy of the Low Income Unit and that any material misstatement in such certification (whether or not intentional) may be cause for immediate termination of such lease or rental agreement. Each lease or rental agreement shall also disclose that the tenant's income is subject to annual certification.	
Corrective Action	Submit to the Department for review an owner's statement of compliance with the Regulatory Agreement moving forward, along with a blank template of the Lease or Lease Addenda that includes the required language.	
Finding	Failure to comply with the Public Facility Corporation Regulatory Agreement	Correction Date:
Noncompliance Date	12/31/2024	
Reason	The Development's Regulatory Agreement requires at least one hundred twenty- five (125) units be reserved for or rented to and occupied by Low Income Tenants at 80% AMI or less. The Development currently only has one hundred twenty-two (122).	
Corrective Action	As units become available, lease units to households' with 80% AMI or less until the occupancy requirements of the Regulatory Agreement have been met. The owner may also survey existing market rate households and certify them if their income is at or below 80% AMI. Submit copies three (3) new move-ins etc. that have been certified at 80% AMI or below and a current rent roll showing at least amount one hundred twenty-five (125) units are restricted. Provide the Department copies of the following for the new certified households: application(s), verifications of income/assets, executed Income Certification and the lease contract.	

Unit # 02-0215  
Finding Failure to comply with the Public Facility Corporation Regulatory Agreement  
Noncompliance Date 11/1/2024 Correction Date:  
Reason In accordance with the Regulatory Agreement, Section 3(c), annual Income Certification with verification of income must be obtained by the household's anniversary date (occupancy date of the unit) and no less than once in a 12-month period. Unit number 02-0215 moved in November 1, 2023, and a new Income Certification with verifications has not been completed as required.  
Corrective Action To correct, complete annual Income Certification with verifications and submit to the Department for review. Submit the following documentation for review: application, verification of income/assets and an executed Income Certification form.

Unit # 08-0817  
Finding Household above the income limit  
Noncompliance Date 8/24/2024 Correction Date:  
Reason In accordance with Section 3(c) of the Regulatory Agreement, the following items are acceptable to determine income eligibility: (1) pay stubs for the most recent four-week period. Auditor reports tenant paystubs in the file are greater than 120 days from the income certification date and income eligibility cannot be determined or verified.  
Corrective Action The owner may complete a retroactive income certification that completely and clearly documents the sources of income/assets for all household members that were in place at the time of the initial certification and apply income limits that were in effect on the initial move-in date. Submit for Department review a copy of the application(s), income/asset verifications and a new Income Certification form that clearly documents all sources of income/assets at the time of move-in. Or the owner has the option to complete a new current certification using current income/assets sources and current income limits. Submit for Department review a copy of the application(s), income/asset verifications and a new Income Certification form that clearly documents all current sources of income/assets. If the household has moved out or is not income eligible, occupy the unit or another comparable unit on the property with a new income eligible household. Submit copies of the application(s), income/asset verifications, an Income Certification, lease contract and applicable lease addendums to the Department for review.

Unit # 02-0214  
Finding Household above the income limit  
Noncompliance Date 9/13/2024 Correction Date:  
Reason The household file included a letter stating tenant was receiving additional cash contributions but the income was not included in the initial income certification. The inclusion of the additional income results in the household's income exceeding the applicable 80% limit of \$76,100.  
Corrective Action To correct, designate unit 02-0214 to an non-program unit since their income exceeds the 80% AMI limit and lease the next available unit of comparable or smaller size to a household that income qualifies at the 80% AMI limit. Owner may survey existing vacant non-program units to replace unit 02-0214 and reserve as a program-unit to be occupied with a household that income qualifies at 80% AMI. Submit documentation to the Department that the unit is vacant and a statement that it is reserved to be occupied by a Low-Income Household. Or if the household's circumstances have changed, the owner may certify them under current circumstances using current income limits. If verifying under current circumstances, submit a copy of the household file, application, verification of income and assets, executed Income Certification and lease agreement.
