RE: Smart Living Heights

Dear Mr. Gonzales:

The Texas Department of Housing and Community Affairs (Department) received documentation on September 26, 2024 addressing the noncompliance identified during the review of the Audit Report submitted by Novogradac & Company LLP on August 5, 2024. Corrective action was due on November 17, 2024.

The documentation submitted was sufficient to correct the noncompliance related to **Failure to comply with the Public Facility Corporation Regulatory Agreement** affecting unit 4213, 4305 and 6305. Please see attached Finding Report for details.

The noncompliance related to **Failure to comply with the Public Facility Corporation Regulatory Agreement** affecting unit 6109 has been dropped.

The documents submitted do not correct the following findings:

- **Gross rent exceeds the highest rent allowed under the Regulatory Agreement** affecting unit 1201: Development failed to provide the requested documentation. The documentation requested was for the non-compliance that occurred on 9/23/2022. The Development only provided information related to the lease date of 9/23/2023. Development did not provide documentation for the rent overage calculation, nor provided documentation showing a refund to the tenant has been issued. This finding remains uncorrected.
- **Failure to comply with the Public Facility Corporation's Regulatory Agreement** affecting units 1201 and 3309: The Development is required to perform an annual Income Certification with verification of income no less than once in a 12-month period, according to the Development's Regulatory Agreement. The Development was directed to complete the annual Income

Certification with verification of income and submit to the Department for review. The Development submitted the Income Certification Form but failed to provide income verifications resulting in the findings for the affected units to remain uncorrected.

- **Failure to comply with the Public Facility Corporation's Regulatory Agreement** affecting unit 1201, 1205, 1314, 2105, 3105, 3309, 3313, 4106, 4112, 4206, 4315, 5203, 530, 5308, 6109 : Development's Regulatory Agreement outlines acceptable income verification documentation to determine income eligibility. Development was directed to submit for Department review the income from initial occupancy and an updated Income Certification. The development failed to provide the required documentation needed to determine the household's income eligibility. Department is still unable to establish income eligibility for the affected units resulting in the findings for the affected units to remain uncorrected.
- **Failure to comply with the Public Facility Corporation's Regulatory Agreement** affecting units 1301, 3110, 3201, 3209, 5103, 6103. Development was directed to submit for Department review the income from initial occupancy and an updated Income Certification. Development submitted income documentation from initial occupancy which shows the household's income for the affected units are over the income limit resulting in the findings for the affected units to remain uncorrected.

Please note, in accordance with the Department's PFC rule and the Texas Local Government Code Chapter 303, the Department will not accept or review any additional corrective action documentation resulting from this audit submission.

The next Audit report is due June 1, 2025 for reporting year ending December 31, 2024.
